

Acadia Economics Society

Acadia Economics Society is a student club founded by economics students that aims to bring any student interested in economics together to discuss current economical issues and widen the students' knowledge about economics.

Economics Society 2018-2019

The AES Executive meets every 2-3 weeks to deal with pressing issues, and to plan for upcoming events such as student conferences, seminars, socials etc. If you want to be a member of the executive, please contact us through our email below:

Faculty Liaison: Professor Xiaoting Wang
