Other materials may be referred to as we proceed through the course.

Grading

Students will be evaluated on three pieces of work:

- 1) A three-hour final exam worth 50% to be scheduled by the Exams office during the December exam period.
- 2) A midterm exam worth 30% to be held in class on Monday, October 23.
- 3) Five quizzes to be held during class time. A tentative schedule of the quizzes is included in the course outline. Your four highest quiz scores will count for 20% of your grade. Missed quizzes will not be made up for any reason. If you have a legitimate reason for missing a quiz, please speak to me about alternative arrangements.
